MS 1646
(Acc. 91/93,
94,
99)

Documents deposited by the British Jewellery & Giftware Federation, 10 Vyse St., Birmingham B18 6LT, 4 September, 11 September and 26 September 1991

The records listed below comprise the archives of the British Jewellery and Giftware Federation, its constituent organizations and predecessors. The complex history of the Federation is admirably summarized in The British Jewellers' Association, 1887-1987 (see item 611), to which the reader is referred for a detailed account. The Birmingham Jewellers & Silversmiths Association (B.J.S.A.) was formed in 1887 and retained that name until 1947, when its national coverage and broadening membership brought about a change to the British Joint Association of Goldsmiths, Silversmiths, Horological and Kindred Trades (B.J.A.) In 1970 this became one of the member organizations of the Federation. Other bodies which subsequently became part of the B.J.S.A., the B.J.A., or the Federation, and whose records will be found within this archive, are the Metal Finishing Association, the Fancy Goods (later Giftware) Association, the British Mechanical Lighter Trade Association, the National Leather Goods and Saddlery Manufacturers Association, and the London Wholesale Jewellers & Allied Trades Association.

The reference numbers given in the left-hand column on this list are temporary and should not be quoted in any published references to the collection.
